

Round Straight Steel Poles

Round straight steel poles are built for ground mounted applications. All poles are non-returnable and non-cancellable.

Lead Time: 4-6 weeks production time

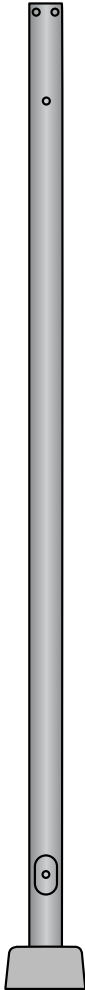

- Detail Specifications:**
- Finish: various powder coat finishes available
 - Material: Straight Steel
 - IP Rating: Wet Location IP65

- Applications:**
- Walkways & Pathways
 - Security Lighting
 - Hospitality, Multi-Family
 - Outdoor Corridors
 - General Outdoor Lighting
 - Residential, Commercial, Industrial

- Shaft Specification:**
- One piece construction, uniformly round
 - Fabricated from weldable-grade carbon steel structural tubing with a uniform wall
 - Conforms to ASTM A-500 Grade B
 - Minimum Yield Strength: 46,000 psi

- Base Plate Cover Specification:**
- Material: Automotive structural grade plastic with UV inhibitor
 - Rust proof and tamper resistant
 - Vibration dampener: included and installed on all poles
 - 25ft + height
- Mounting & Installation:**
- Factory supplied anchor bolt template will be supplied with each pole
 - Anchor bolts and template may be shipped in advance. Please add the anchor bolts and template accessory model# to your PO if needed.
 - Fixture and mounting brackets must be located at the top of the pole for all designs.

Warranty: 3 year finish warranty
